Bunganut Pond Association  
P.O. Box 237  
Alfred, ME 04002

July 4, 2017

Dear Bunganut Pond Association,

I wish I could be with you on July 9, but I already have a speaking commitment for that day; however, I wanted to thank you so much for doing what you do for Bunganut Pond. Berea is in full support of your efforts to protect the lake and its watershed. We are excited about joining the team to help preserve the watershed and all that it provides to the surrounding communities. Please know that you will have our support and we will gladly host the Bunganut Pond Associations Annual meeting and any other meetings we can to help protect this valuable watershed.

As you know by now, Berea is the new steward of the property known previously as New England Camp Cedarbrook. Camp Berea started in New Hampshire back in 1945. We are located on Newfound Lake and are a big supporter of the lake associations connected to our camp. We love the lakes and our communities and we want to help. We are a supporter of the NLRA (Newfound Lake Region Association) and know the huge value that these associations play in the protection and preservation of these great natural resources.

We look forward to a long and fruitful relationship with the Bunganut Pond Association as we strive to conserve the lake and pass this "gem" onto the next generation. Thank you once again for your stewardship and know that we earnestly join with you in ensuring the conservation of Bunganut Pond.

Sincerely,

Nate Parks  
President/CEO
